## Charming Rural Cottage

If you are retired, work night shifts, are a part-time student and spend most of your day at home, then this is the place for you. This quaint farm house is a must-see, set in a quiet bush setting full of charm and sun-filled living. This affordable home is perfect for the person, who loves animals and country living. As a trade for such cheap rent, the owner simply requests you do the odd job around the property - feeding the dogs while he is away etc. More details provided at time of inspection.

The cottage has new floor coverings in the kitchen, ample land for the gardening enthusiast and a perfect verandah for relaxing and enjoying the view.

Dogs (stock friendly) and cats welcome. No horses or stock.
